SEASON OF CREATION: In his message for the "Season of Creation", which began this week, Pope Leo XIV calls us to appreciate the gift of life amid suffering that is itself a plea for healing and peace which we believe flows from the enduring love of Christ. Consistent in his advocacy for peace, Pope Leo alerts us to the terror of war arising from the contradictory desires within us. Such internal turmoil results in social and ecological destruction to create wounds that require healing. Pope Leo invites us to 'transform harm into life' in accordance with the prophetic call to "beat swords into ploughshares" (Is 2:4). Pope Leo concludes that its only with God's help that we can courageously seek peace and the care of creation. Resources for Season of Creation 2026 can be found at <https://www.catholicbishops.ie/laudato-si/season-of-creation-2026/> or at <https://seasonofcreation.org/resources/>. The Season of Creation concludes with the , Feast of Saint Francis of Assisi on 4 October 2026.
